

The Nepal Engineering Council Act, 2055 (1999)

Date of Royal Seal and Publication-

2055-11-27 B.S. (March 9, 1999 A.D.)

Amending Acts

Date of Certification and Publication

An Act Strengthening the Republic and Amending Some Nepal Laws, 2066 (2010)	January 21, 2010
An Act Amending Some Nepal Laws in order to Make Compatible With the Constitution of Nepal, 2075 (2019)	March 3, 2019
Nepal Engineering Council (First Amendment) Act, 2079 (2022)	August 21, 2022

¹This Act shall come into force from 31st day from the date of certification

Act No. 23 of the year 2055

An Act Made to Provide for Nepal Engineering Council

Preamble: Whereas, it is expedient to make the provision of Nepal Engineering Council in order to make the engineering profession effective in -----²Nepal and mobilize it in a systematic and scientific manner as well as to provide for, among other matters, the registration of the names of engineers as per their qualification;

Now, therefore, be it enacted by Parliament in the twenty-seventh year of the reign of His Majesty King Birendra Bir Bikram Shah Dev.

Chapter -1

¹ This Act has come into effect from September 20, 2022

² Removed by An Act Strengthening the Republic and Amending Some Nepal Laws, 2066 (2010)

Preliminary

1. Short Title and Commencement:

(1) This Act may be called " The Nepal Engineering Council Act, 2055(1999)."

(2) This Act shall come into force on such date as Government of Nepal may, by publishing a notification in the Nepal Gazette, specify. ³

2. Definitions: Unless the subject or the context otherwise requires, in this Act,

a. "Council" means the Nepal Engineering Council established under Section

b. "Chairperson" means the Chairperson of the Council.

⁴b1. "Vice-Chairperson" means Vice-Chairperson of the Council.

c. "Member" means the Member of the council and this term also means and includes the Chairperson and Member-Secretary of the Council.

d. "Engineer" means a person who holds at least a Bachelor's Degree in an engineering subject from an academic institution recognized by the council.

e. "Engineering Profession" means the profession to be practiced by the engineers who have acquired the technical knowledge and skill in the subjects referred to in the Annex.

f. "Registration Book" means the Registration Book prepared under Section 15.

³ This Act is scheduled to come into effect from September 18, 1999 onwards.

⁴ Added by First Amendment

- g. "Registered Engineer" means the engineer whose name has been registered in the Registration Book.
- h. "Registrar" means the person appointed under Section 27.
- i. "Committee" means the Examination Committee constituted under Section 14.
- j. "Prescribed" or "As Prescribed" means prescribed or as prescribed in the Rules made under this Act.

Chapter-2

Establishment, Constitution, Functions, Duties and Powers of the Council

53. Establishment of Nepal Engineering Council: (1) The Nepal Engineering Council has hereby been established in order to mobilize the engineering profession in a systematic and scientific manner by making it effective and the registration of the names of engineers as per their qualifications.

⁶(2) Office of the Council shall be located at Kathmandu valley.

⁷(3) The Council may establish Branch Offices or Liaison Offices in Province level as per the requirement.

4. Council to be an Autonomous Body:

- i. The council shall be an autonomous and corporate body with perpetual succession.
- ii. The council shall have a separate seal of its own for all of its business and transactions.

⁵ Amended by First Amendment

⁶ Added by First Amendment

⁷ Added by First Amendment

iii. The Council may, like an individual, acquire, use, own, sell or distribute movable and immovable properties or make provision of them by any other manner.

iv. The council may sue or be sued in its name like an individual.

5. Constitution of the Council: (1) The Council established under Section 3 shall consist of the following Members:-

(a) An engineer nominated by Government of Nepal from amongst the engineers who have at least fifteen years' experience in the engineering profession after having obtained a Bachelor's Degree in subject of engineering - Chairperson

(b) An engineer nominated by Government of Nepal from amongst the engineers who have at least ten years' experience in the engineering profession after having obtained a Bachelor's Degree in a subject of engineering. - Vice- Chairperson

(c) ⁸Seven engineers including at least three female nominated by Government of Nepal from amongst the engineers who have at least seven years' experience in the engineering profession after having obtained a Bachelor's Degree in a subject of engineering engaged in the engineering profession on the basis of inclusive theory subject to make representation from each province -Member

(d) Chairperson, Nepal Engineers Association - Member

(e) Five engineers elected by Nepal Engineers Associations -Member

(f) One Campus Chief nominated by Government of Nepal from amongst the Campus Chiefs of the Engineering Colleges. -Member

⁸ Amended by First Amendment

(g) Representative, Institute of Engineering, Tribhuvan University

-Member

⁹(g1) One nominated by Government of Nepal from amongst the Universities carrying out study of engineering -Member

(h) ¹⁰Two including at least one female nominated by Council from amongst the engineers who have at least seven years' experience in the engineering profession after having obtained a Bachelor's Degree in a subject of engineering engaged in the engineering profession - Member

(i) Registrar - Member-Secretary

(2) While making the nomination and conducting election of the Member in accordance with clauses (c) and (e) of the Sub-Section (1), such nomination and election are required to be made or conducted from separate subjects of the engineering profession on the subject-wise basis.

(3) Until election is held for the Members as referred to in clause (e) of Sub-Section (1), the engineers nominated by the Nepal Engineers Association shall be the Member of the council.

(4) In making nomination for the representative in accordance with clause (g) of Sub-Section (1), such nomination shall be made from amongst the engineers.

(5) The council may, if it deems it necessary, invite any expert to participate at the meetings of the council.

6. The Tenure of Office of the Members: (1) The tenure of office of the Members nominated or elected to the Council shall be four years. The

⁹ Added by the same

¹⁰ Amended by First Amendment

Members whose tenure of office has expired may be re-nominated or re-elected, subject to the other provisions laid down in this Act.

(2) If any post of a Member falls vacant prior to the expiry of the tenure of office, the post of the Member so fallen vacant shall be filled through nomination or election of another member for the remainder of the tenure.

7. Disqualifications for Being a Member: Any of the following persons shall not be eligible to be nominated or elected to the post of a Member of the council:-

(a) Non-Nepalese Citizen,

(b) Being removed from the Registration Book,

(c) Being bankrupt due to failure to repay the loan of creditor,

(d) ¹¹Being punished by a court upon being convicted in the offence of corruption, rape, human trafficking, drugs trafficking, money laundering, organized crime, wildlife trafficking, misuse of passport, offence of abduction or in a criminal charge involving moral turpitude or convicted by final judgment by imposing three years or more imprisonment in any other criminal offence.

(e) ¹²Being mentally retreated,

(f) ¹³Being obtained permanent resident permit of any foreign country.

8. Circumstances to Terminate the Membership: The membership of the Council shall be deemed to have been terminated in the following circumstances:-

¹¹ Amended by First Amendment

¹² Amended by First Amendment

¹³ Inserted by First Amendment

- a. In case of disqualified pursuant to Section 7.
- b. In case of resignation tendered form the office of the Member is approved,
- c. In case of absents at from the meetings of the Council for three consecutive times without giving prior notice with the reasons to the Council,
- d. In case of death.

9. Functions, Duties and Powers of the Council: In addition to the functions, duties and powers set forth elsewhere in this Act, the Council shall have the functions, duties and powers as follows:

- (a) To prepare and implement the policy, plan and programs as required for carrying out the engineering profession in a proper manner.
- (b) To recognize, as prescribed, the academic institutions providing the engineering education and certificates and degrees granted by such institutions.
- (c) ¹⁴To determine the qualifications required for practicing the engineering profession and to prepare curriculum for the examination to be conducted for the purpose of registration of qualified engineers, to conduct the examination and to issue name registration certificate to to persons passed the examination,
- (d) If a registered engineer violates the professional code of conduct as prescribed or does not comply with it, to remove the name of such engineer from the Council by fulfilling the procedures as prescribed,

¹⁴ Amended by First Amendment

- (e) ¹⁵To review and evaluate the policies related to the study of engineering subjects, the curriculum, educational standards and examination system of the educational institutions to be taught, and recommend to the concerned universities and the government of Nepal or the concerned provincial government,
- (f) ¹⁶To determine the basis and conditions of student admission of the educational institutions where engineering subjects are studied and taught, and to determine the physical infrastructure of the educational institution, and if found to be in violation of the same while carrying out monitoring and evaluation, to recommend to the concerned university to cancel the approval granted to such educational institution,
- (g) ¹⁷To carry on study, research, seminar and other necessary program for advancement of interest and benefit of engineering professionals, and
- (h) ¹⁸To conduct training and instruction to impart practical experience to engineering

10. Meetings and Decision of the Council:

(1) The meeting for the Council shall generally be held four times in a year.

Provided that the Chairperson may, if he so desires, also convene the meeting for more than the said times.

(2) The meetings of the Council shall be held at the time and venue specified by the Chairperson.

¹⁵ Added by First Amendment

¹⁶ Added by First Amendment

¹⁷ Added by First Amendment

¹⁸ Added by First Amendment

(3) The presence of more than fifty percent Members of the total number of Members of the Council shall be deemed to have constituted a quorum for the meeting of the Council.

(4) The Chairperson shall preside over the meetings of the Council and, in his absence, the Vice-Chairperson shall preside over. In the absence of both the Chairperson and Vice-Chairperson, the person selected by the Members present in the meeting from among themselves shall preside over the meeting.

(5) The opinion of a majority shall be binding in the meeting of the Council and, in the event of tie of votes, the person presiding over the meeting may exercise the casting vote.

(6) The decisions of the Council shall be authenticated by the Member secretary.

(7) Other procedures regarding the meetings of the Council shall be as determined by the Council itself.

Chapter-3

Provisions Regarding the Registration of Name

11.19 Prohibition to Practice Engineering Profession without Getting

Registered name: (1) No person shall practice the engineering profession without getting his name registered in the Council.

(2) When the name of engineers is registered in the council according to this Act, the engineer may be classified as prescribed.

¹⁹ Amended by First Amendment

12. Application to be Made for the Registration of Name: (1) Any person desirous to register his name in the Council shall be required to make an application to the Council in a format as prescribed.

(2) The persons, who are practicing the engineering profession at the time of commencement of this Act, shall be required to make applications in accordance with Sub-Section (1) within six months from the date of commencement of this Act in order to get registered their names in the Council.

(3) The persons making applications in accordance with Sub-Section (1) or (2) to get registered their names shall have to enclose the certificates, degrees and other documents related thereto obtained from the academic institutions as well as the fees as prescribed with the application.

13. ²⁰Inquiry on Application: (1) The Registrar shall carry out necessary inquiry on the application registered in accordance with Section 12 and the name of the applicant shall be sent to the Committee for the purpose of conducting engineering professional registration examination, if it is found to have been completed the criteria pursuant to the Act.

(2) The Registrar may, if anything is found to have been unclear while carrying out inquiry pursuant to Sub-Section (1), demand necessary evidence or documents from concerned applicant.

14. ²¹Formation of Examination Committee: (1) The council will shall have the examination committee as mentioned hereunder to conduct the examination for the purpose of registering as an engineering professional.

(a) Member prescribed by the Council -Coordinator

²⁰ Amended by First Amendment

²¹ Amended by First Amendment

(b) Three members of the Council including one female member as assigned by the Council -Member

(c) Registrar -Member-Secretary

(2) The Committee shall conduct examination at least two times in a year as prescribed for registration of the name in the Council as an engineering professional.

(3) Curriculum and examination conducting system of the examination pursuant to Sub-Section (1) shall be as determined by the Council.

(4) The Committee may, if it deems necessary, invite to concerned expert of the subject in the meeting of the Committee.

(5) Function, duty and power of the Committee and meeting operation procedure shall be as prescribed.

15. ²²Registration of Name: (1) The Committee shall recommend to the Council for registering the name of the applicants who have passed the Engineering Professional Registration Examination conducted in accordance with Section 14.

(2) After receiving the recommendation for name registration according to Sub-Section (1), the council shall register the name in the council according to that name list.

16. ²³Name Registration Certificate to be Issued: The Registrar shall issue the Name registration Certificate to the individuals registered their name pursuant to Section 15 in a format as prescribed.

17. ²⁴----

²² Amended by First Amendment

²³ Amended by First Amendment

18. ²⁵ Removal of the Name from the Registration Book: (1) Except in the following circumstances, the name of a registered engineer shall not be removed from the Registration Book:-

(a) In case of disqualified pursuant to Section (7),

(b) If a motion submitted to a meeting of the Council to remove the name from the Registration Book on the charge of violating the professional code of conduct as prescribed is passed by a two-thirds majority,

(c) If the name of a person who does not possess the required qualifications has happened to be registered by deception or error.

(2) Prior to the submission of the motion to remove the name of any registered engineer from the Registration Book on a charge as referred to in clauses (b) and (c) of Sub-Section (1) to a meeting of the Council, the Council shall constitute an inquiry committee requiring to submit a report after having conducted an inquiry in regard to the charge imposed on such a person.

(3) The procedures to be followed by the Inquiry Committee constitute under Sub-Section (2) while conducting the inquiry shall be as prescribed.

19²⁶. Certificate to be Cancelled: (1) In cases where the Council takes a decision to remove the name from the Registration Book in accordance with Section 18, the Registrar shall have to remove the name of such person from the Registration Book, cancel the Name Registration Certificate issued in accordance with Section 16 and give information of such matter to the concerned person.

²⁴ Repealed by First Amendment

²⁵ Amended by First Amendment

²⁶ Amended by First Amendment

(2) Before cancellation the name registration certificate according to Sub-Section (1), the concerned person should be given an opportunity to submit his/her clarification.

20. Name to be Registered Again: (1) If the decision to remove the name from the Registration Book is taken on the occurrence of the circumstances as referred to in clauses (a), (b) and (c) of Sub-Section (1) of Section 18; the concerned person may, after a duration of at least one year from the date on which such decision for removal is taken, submit an application to the Council in accordance with Section 12 with specifying the justifiable reasons therein for re-registration of the name.

(2) In case an application is submitted for re-registration of the name in accordance with Sub-Section (1); the Council may, if it considers it justifiable to re-register the name of such applicant, decide to re-register the name accordingly.

(3) In cases where the Council decided to re-register the name of the applicant in accordance with Sub-Section (2), the Registrar shall re-register the name of such applicant in the Registration Book and issue a certificate of re-registration of name to the applicant in a format as prescribed.

Chapter-4

²⁷Recognition of Certificates of Academic Qualification or Degree

²⁷ Added by First Amendment

21. Recognition of Certificates of Academic Qualification or Degree: (1) The Council shall recognize the certificates of academic qualification or degree in an engineering subject granted by any academic institution.

(2) The names of the certificates of academic qualification or degrees recognized by the Council pursuant to Sub-Section (1) and the names of the academic institutions granting such certificates or degrees shall be published in the Nepal Gazette.

21A. To Grant Recognition to Academic Institution: (1) The academic institutions established according to the prevailing law must also get recognition from the Council before conducting the study and teaching of engineering subjects.

(2) In order to get recognition according to Sub-Section (1), an application should be submitted to the Council by attaching the details and fees as specified by the Council.

(3) The Council may grant permanent or temporary recognition to the academic institution that fulfills the prescribed criteria based on the application as per Sub-Section (2) and by charging the fee as prescribed by the Council.

21B. To Recommend for Cancellation of the Recognition: During the monitoring of academic institutions recognized by the Council in accordance with Section 21A, if it is found that such institutions do not comply with the curriculum, criteria of admission of students, physical infrastructure and educational standards, the Council may recommend to the Government of Nepal or the concerned provincial government to revoke the recognition of such academic institutions.

22. Details may be Demanded: (1) In course of recognizing the certificate of any academic qualification or degree in accordance with Section 21, the

Council may demand the set curriculum for such certificate of academic qualification or degree and the specified terms and conditions for admission as well as other details related thereto from the concerned academic institution.

(2) It shall be the duty of the concerned academic institution to make available the necessary details as demanded by the Council in accordance with Sub-Section (1).

23. Inspection of Examination: (1) In course of recognizing the certificate of any academic qualification or degree pursuant to Section 21 or after granting such recognition, the Council may appoint and send an inspector to carryout inspection in regard to the system of examination to be conducted by the concerned academic institution granting the said certificate of academic qualification or degree.

(2) The inspector sent under Sub-Section (1) shall not have the right to interfere in any manner in the examination in course of carrying out inspection.

(3) The inspector carrying out the inspection of examination in accordance with Sub-Section (2) shall have to prepare a report on the matters found by him in course of carrying out the inspection of examination and submit such report to the Council.

24. Recognition to be Withdrawn: (1) Considering the details received in accordance with Section 22 from the concerned academic institution in respect of the certificate of any academic qualification or degree to which the recognition is granted under Section 21 or the report received in accordance with Sub-Section (3) of Section 23, if the Council thinks that the curriculum, conditions for admission and the examination system set by such academic institution are not appropriate and sufficient; then, it shall submit its report in this respect to Government of Nepal.

(2) Government of Nepal may, upon receipt of the report of the Council in accordance with Sub-Section (1), seek clarification in that respect from the concerned institution.

(3) Government of Nepal shall consider with regard to the clarification submitted and received as sought from the concerned academic institution pursuant to Sub-Section (2) and conduct necessary inquiries, if any such inquiry is required to be conducted into any other matter in that respect; and consequently, Government of Nepal may, on the basis of such inquiry as well, withdraw the recognition of the certificate of any academic qualification or degree granted by such academic institution on and after any specific date.

(4) The notification on the withdrawal of recognition of the certificate of any academic qualification or degree in accordance with Sub-Section (3) shall be published in the Nepal Gazette.

Chapter -5

Functions, Duties and Powers of the Chairperson, Vice-Chairperson and Registrar

25. Functions, Duties and Powers of the Chairperson: In addition to the functions, duties and powers set forth elsewhere in this Act, the Chairperson shall have the following functions, duties and powers :-

- (a) To determine the priority order of the matters to be discussed in the meeting of the Council,
- (b) To monitor and evaluate or cause to be monitored or evaluated the plans and programs being carried out by the Council and to give necessary directions in regard thereto,

- (c) To carry out or cause to be carried out the business and transactions of the Council in a systematic, effective and proper manner,
- (d) To perform other functions as prescribed

26. Functions, Duties and Powers of the Vice-Chairperson: It shall be the duty of the Vice-Chairperson, in the absence of the Chairperson, to perform or exercise the functions, duties and powers to be performed or exercised by the Chairperson under this Act.

27. Appointment and Functions, Duties and Powers of the Registrar: (1)²⁸ Government of Nepal may appoint an engineer Registrar to work for the Council from amongst the engineers who have at least ten years' experience in the engineering profession after having obtained a Bachelor's Degree in subject of engineering on the basis of open competition.

(1A)²⁹ Tenure of office of the Registrar appointed pursuant to Sub-Section (1) shall be of four years.

(1B)³⁰ Notwithstanding anything contained in Sub-Section (1A), Government of Nepal may terminate the person from the post of Registrar at any time in case of lack of functionality, bad conduct and failure to perform own duty with honesty.

Provided that opportunity of clarification shall have to be given before termination him/her so.

(2) In addition to the functions, duties and powers set forth elsewhere in this Act, the Registrar shall have the following functions, duties and powers:-

²⁸ Amended by First Amendment

²⁹ Added by First Amendment

³⁰ Added by First Amendment

- (a) To carry out the business of general administration and management of the Council,
- (b) To make or cause to be made arrangements for the supervision and control of the fund and for management and taking care as well as for repair and maintenance of the assets of the Council,
- (c) To formulate the annual program and plan of the Council and submit them to the Council,
- (d) To prepare the statement of annual income and expenditure and supplementary income and expenditure of the Council,
- (e) To implement the budget, plan and program approved by the Council,
- (f) To make arrangement for carrying out the internal and final audit of the Council,
- (g) To act as a liaison officer between the Council and engineers,
- (h) To carry out or cause to be carried out other functions as directed by the Council,
- (i) To carry out other functions as prescribed.

Chapter-6

Fund of Council

28. Fund of the Council: (1) The council shall have a separate fund of its own.

(2) The fund referred to in Sub-Section (1) shall include the following amounts:-

- (a) The amount received from Government of Nepal,

- (b) The amount received as a loan, donation, assistance or foreign individual, institution, government or international association or organization,
- (c) The amount received for the services made available on behalf of the Council,
- (d) The amount received from any other source.

(3) The Council shall be required to obtain the prior approval of Government of Nepal before it receives a loan, donation, assistance, grant or contribution or gift from any foreign individual, institution, government or international association or organization in accordance with clause (b) of Sub-Section (2).

(4) The amount received to the fund of the Council shall be deposited by opening a bank account in any commercial bank.

(5) The operation of the fund and account of the Council shall be as prescribed.

29. Accounts and Audit: (1) The accounts of the income and expenditure of the Council shall be maintained as prescribed.

(2) The audit of the Council shall be carried out as prescribed.

(3) Government of Nepal may, if it so desires, examine or caused to be examined the books and accounts of the Council.

Chapter-7

Miscellaneous

29A³¹. Professional Code of Conduct should be Followed: Engineering professionals shall have to follow following professional code of conducts:

- (a) No any act should not or cause not to be done with ill intention.
- (b) No negligence or recklessness should be done while carrying out any function.
- (c) During any examination, false or fabricated reports or reports that are different from the facts should not be prepared or recommended.
- (d) Other things as prescribed.

30. Offences and Punishment and Penalties: (1) An offence under this Act shall be deemed to be committed if any person practices the engineering profession without getting his/her name registered in the Council pursuant to Section 11.

(2)³² The person who commits an offence referred to in Sub-Section (1) may be liable to a punishment with a fine of an amount upto Ten Thousand Rupees or with an imprisonment of a duration of upto three months or both.

(2A)³³ If an academic institution operates without being recognized by the Council according to Section 21A, action as prescribed may be taken.

(3)³⁴ Except as provided for in Sub-Section (2) and (2A), any person who commits any act violating this Act or the Rules made under this Act shall be liable to a fine of an amount of upto Twenty Five Thousand Rupees.

³¹ Added by First Amendment

³² Amended by First Amendment

³³ Added by First Amendment

³⁴ Amended by First Amendment

(4)³⁵ The Council may impose following punishment to the registered engineer, who has violated or failed to comply with the professional code of conduct:

- (a) To make alert,
- (b) To suspend the certificate in the manner that she/he could not be allowed to carry out engineering profession for specific period of time,
- (c) To remove the name from Registration Book.

Provided that opportunity of clarification shall have to be given before imposing punishment.

(5)³⁶ If the engineer, whose name has been removed from the Register according to Part (c) of Sub-Section (4), has committed any act that is punishable according to the prevailing law, such engineer will be prosecuted according to the prevailing law.

30A. An Appeal: The party who is not satisfied with the decision made by the Council according to this Act, may file an appeal before concerned High Court within thirty-five days from the date of receiving the information of the decision.

31. Dissolution of the Council: (1) If Government of Nepal considers that the Council has failed to exercise the powers conferred to it by this Act or the Rules made under this Act or abused the powers or exercised the powers more than those conferred to it or failed to perform the duties to be performed by the Council in accordance with this Act or Rules made under this Act, Government of Nepal may, then, dissolve the Council.

³⁵ Added by First Amendment

³⁶ Added by First Amendment

(2) After the dissolution of the Council in accordance with Sub-Section (1), Government of Nepal shall take under its custody the fund and assets of the Council and may carry out all the business and transactions to be carried out by the Council under this Act or the Rules made under this Act pending the constitution of another Council, or may form a committee and cause such committee to carry out the said business and transactions.

(3) Government of Nepal shall constitute another Council in accordance with Section 5 generally within three months from the date of dissolution of the Council pursuant to Sub-Section (1).

(4) After the constitution of another Council pursuant to Sub-Section (3), Government of Nepal shall hand over the fund and assets taken by it under its custody in accordance with Sub-Section(2) to the said.

32. Thematic Committee and Other Committees may be constituted: (1)

The Council may constitute the Thematic Committee and other Committees as required.

(2) The functions, duties and powers of the Thematic Committee and the Committees constituted under Sub-Section (1) shall be as fixed by the Council.

33. Meeting Allowance and Other Facilities of the Members: The meeting allowance and other facilities of the Member and the members of the Thematic Committee and other Committees constituted under Section 32 shall be as prescribed.

34. Employees of the Council: (1) The Council may appoint the employees as required.

(2) The terms and conditions of service and facilities of the employees appointed in accordance with Sub-Section (1) shall be as prescribed in the bye-laws.

35. The Authority to Carry out Inquiry and Investigation and to Institute

a Law Suit: The authority or body to carry out the inquiry and investigation of the offences referred to in Section 30 and to institute a law suit as well as the procedures related thereto shall be as prescribed by Government of Nepal by publishing a notification in the Nepal Gazette.

36. Contact with Government of Nepal : The Council shall, in making contacts with Government of Nepal, do so through the Ministry of Physical Infrastructure.

37.³⁷ Power to Make Rules and Bye-laws, Guidelines, Procedure and

Standard: (1) In order to implement this Act, the Council may make necessary Rules।

(2) The Rules framed pursuant to Sub-Section (1) shall come into force only after granting approval by Government of Nepal.

(3) The Council may make necessary bye-laws, Guidelines, procedure and Standards without making them contrary to this Act and the Rules made in accordance with Sub-Section (1).

(4) Rules and Bye-laws, Guidelines, Procedure and Standard enacted by the Council pursuant to this Act shall be published for the information of the general public.

37A³⁸. Requirement to Submit Annual Report: (1) The Council shall submit a report to the Government of Nepal within the month of Ashoj (About Mid-October) of each year, including a brief description of the work it has performed throughout the year, administrative expenses, statement of income and expenditure and programs to be conducted in the future.

³⁷ Amended by First Amendment

³⁸ Added by First Amendment

(2) The report as per the Sub-Section (1) shall also be published by the Council.

37B. Power of Government of Nepal to issue Direction to the Council:

Government of Nepal may, in order to make the activities of the Council effective, issue necessary direction.

38. Addition May Be made to the Annex:

Government of Nepal may add the engineering subjects as required to the Annex by publishing a notification to that effect in the Nepal Gazette.
